

# Chapter 12

## Pulse Amplification

We use a presentation mostly developed by

Francois Salin  
Center for Intense Lasers  
and Applications (CELIA)  
Université Bordeaux I, FRANCE  
[www.celia.u-bordeaux.fr](http://www.celia.u-bordeaux.fr)

and extended by Rick Trebino.

The slides can be downloaded from Rick Trebinos web pages and his Ultrafast Optics Course:
