The TEAL/Studio Physics Project is carried out at the MIT Center for Educational Computing Initiatives (CECI), Professor Steven Lerman, Director. We are immensely thankful for CECI's support for this project, without which it would not have been possible. We thank all our colleagues in the TEAL/Studio Physics Project for their continuous encouragement and support:

Pedagogy: John Belcher, Peter Dourmashkin, Sen-Ben Liao, David Litster, Norman Derby, Stanislaw Olbert

TEAL/Studio Physics Project Manager: Andrew McKinney

Interactive Simulations: Philip Bailey, Ying Cao, Andrew McKinney, Mesrob Ohannessian, Pierre Poignant, Ralph Rabat

Animations: Mark Bessette, Michael Danziger and Andreas Sundquist

Front and Back Cover Images: Mark Bessette

Illustrations: Sio-In Queenie Liao

We are exceptionally grateful to Queenie Sio-In Liao for her wonderful and artistic job in designing the cover and all the illustrations throughout the text. We would like to thank Eric Hudson for his many thoughtful comments for improvement, and Tan-Quy Tran and Michelle Renda for providing valuable resources.

We are especially indebted to Craig Watkins for proofreading the entire manuscript thoroughly and giving valuable criticisms and suggestions, and Kai-Wing Fung for his superb assistance in preparing the manuscript.
