Journal Assignment #5
Assigned Session 17
Due Session 20

1. What are the key lessons illustrated by the River Bend case? What about the Catron County case?

2. What are your suggestions for handling the value-based disagreements embedded in many public disputes?

3. What are the limits of the mutual gains approach when it comes to value-based disputes?

4. What is your reaction to the idea of national policy dialogues (like the National Energy Policy Initiative)? Do you think it is possible to build national consensus on controversial policy issues?
